JavaScript.....	33
jQuery.....	38

I UVOD

1. Korišćeni programski jezici

- HTML 5
- CSS 3 / SCSS
- Bootstrap
- JavaScript
- jQuery

2. Opis funkcionalnosti sajta

- Single page
- **Header** - Navigacioni meni: ispisan dinamički putem **JS**-a
- **Slider** (slika sa naslovom)
- **Planning to Adopt a Pet? (#afterSlider)**
 - Tekst i naslovi su ispisani dinamički putem **JS**-a. Klikom na link koji je izgleda kao dugme (Read more), dobijamo prikaz sakrivenog teksta, pritom se menja ime linka u 'Close' (putem **html()** metoda, jer a tag nema atribut value).
 - Putem **jQuery**-ja je odrađen toggle() metod.
- **Pets Available for Adoption (#pet-info-profiles)**
 - Zamišljeno je da svaki div sadrži sliku koja se prelaskom miša menja (mouseover/mouseout - **JS**). Klikom na dugme, prikazuje se sadržaj i u tom trenutku se menja atribut value tog dugmeta u 'Close'.
Efekat koji se dobije kada se klikne na 'Close' jeste sakrivanje sadržaja i "vraćanje" atributa value na prvobitni atribut value. Takođe, trenutak kada kliknemo na dugme, prikazuje se scroll koji korisniku daje utisak da je tim klikom prouzrokovao, u ovom slučaju, prikaz sakrivenog sadržaja.
Odrađeno preko **jQuery**-ja.
- **Adoption Info (#adoption-info)**
 - **Forma (unutar diva #shelter-rescue-form)**
 - Klikom na dugme 'ADOPT', korisniku se ispod svakog polja ispisuje poruka crvenom bojom i pojavljuje bordura polja (klasa .error) koja takođe postaje crvena kako bi se korisniku skrenula pažnja na pogrešan unos. Pored poruke, dat je primer formata koji se zahteva za svako polje. Poruka koja se prikazuje je zapravo prazan span tag u HTML-u, kojem dinamički dodajemo i sklanjamo tekst, u zavisnosti od toga da li je dobro unešen.
Odrađeno preko **JavaScript**-a.

- **Get Involved (#getInvolved)**

- Dinamičko ispisivanje 3 diva putem **JavaScript**-a.

- **Footer**

- Upotrebljen je **jQuery plugin** za lightbox, klikom na link '[Jovana Paunović 94/19](#)' u divu sa naslovom 'Author' prikazuje se slika autora.
- (sajt: <https://noelboss.github.io/featherlight/>)

3. Template

- Nije korišćen template iz drugih izvora, odrađen je samostalno.

4. Korišćeni CSS

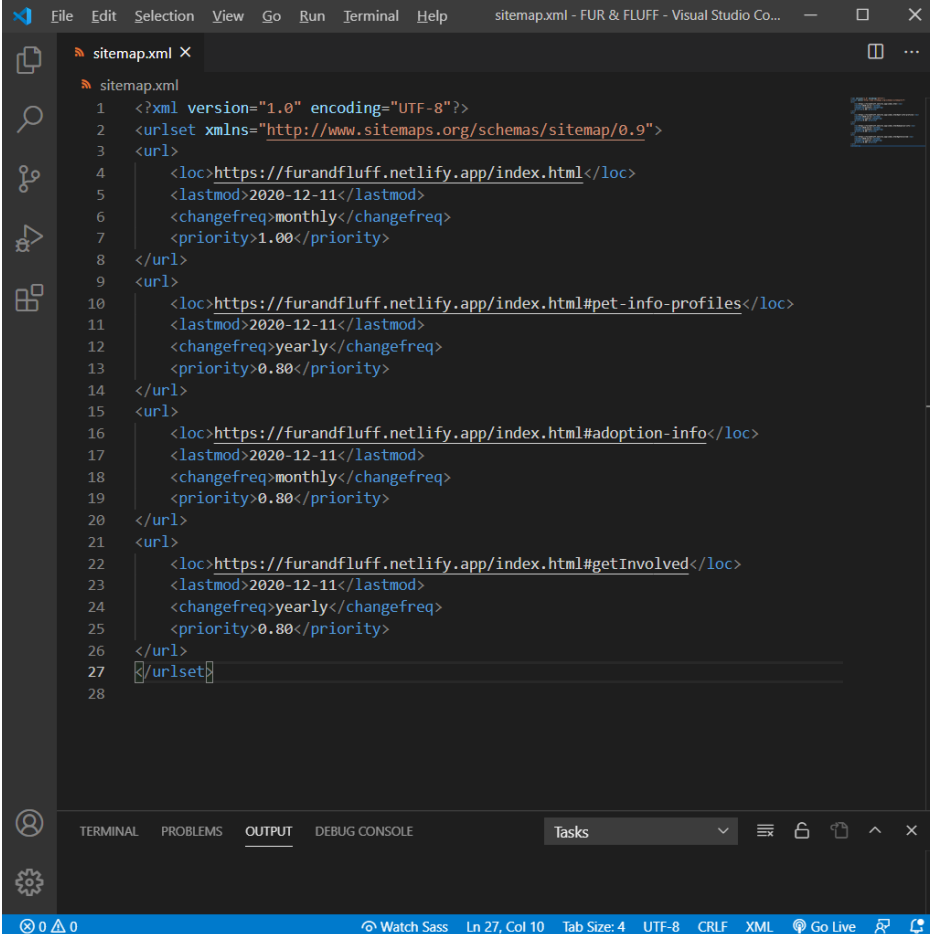

- Korišćene su Bootstrap-ove klase, sopstveni CSS I eksterni CSS za potrebe Featherlight (jQuery plugin za lightbox).

2. Mapa sajta

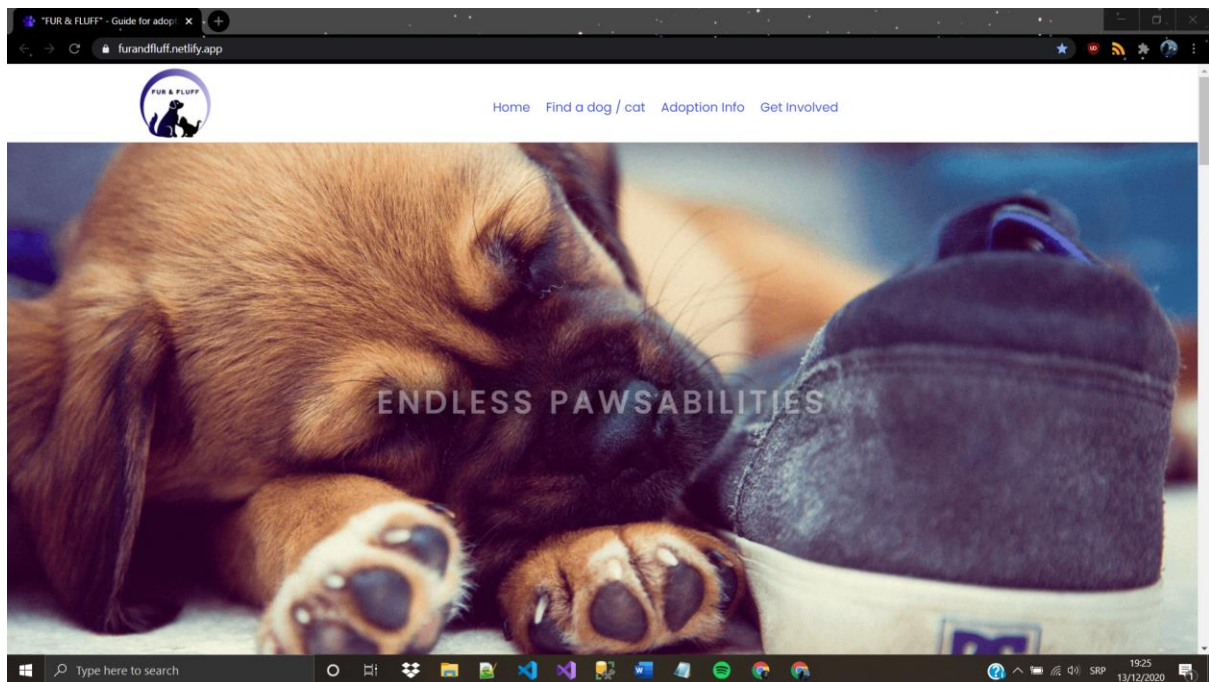

The screenshot shows a Visual Studio Code editor window with a file named 'sitemap.xml' open. The editor displays an XML document with the following content:

```
1 <?xml version="1.0" encoding="UTF-8"?>
2 <urlset xmlns="http://www.sitemaps.org/schemas/sitemap/0.9">
3 <url>
4   <loc>https://furandfluff.netlify.app/index.html</loc>
5   <lastmod>2020-12-11</lastmod>
6   <changefreq>monthly</changefreq>
7   <priority>1.00</priority>
8 </url>
9 <url>
10  <loc>https://furandfluff.netlify.app/index.html#pet-info-profiles</loc>
11  <lastmod>2020-12-11</lastmod>
12  <changefreq>yearly</changefreq>
13  <priority>0.80</priority>
14 </url>
15 <url>
16  <loc>https://furandfluff.netlify.app/index.html#adoption-info</loc>
17  <lastmod>2020-12-11</lastmod>
18  <changefreq>monthly</changefreq>
19  <priority>0.80</priority>
20 </url>
21 <url>
22  <loc>https://furandfluff.netlify.app/index.html#getInvolved</loc>
23  <lastmod>2020-12-11</lastmod>
24  <changefreq>yearly</changefreq>
25  <priority>0.80</priority>
26 </url>
27 </urlset>
28
```

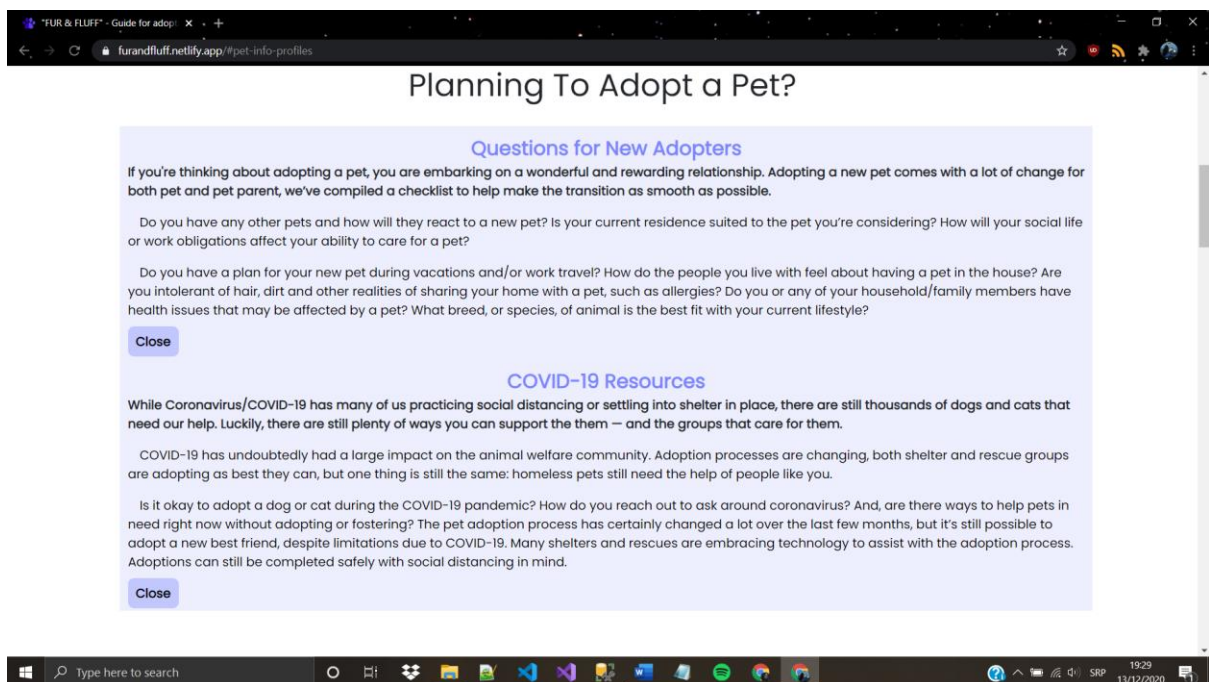

The editor interface includes a sidebar on the left with icons for Explorer, Search, Source Control, and Run and Debug. The bottom status bar shows 'Ln 27, Col 10', 'Tab Size: 4', 'UTF-8', 'CRLF', 'XML', and 'Go Live'.

3. Organizacija sajta

Home (index.html)

Klikom na link 'Read more', prikazuje se sakriveni sadržaj, menja se ime linka u 'Close' koji sada, klikom na njega radi kontraefekat – odnosno sakriva sadržaj.

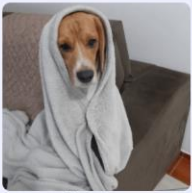

Find a dog / cat (index.html#pet-info-profiles)

Our story	My story	My story	My story

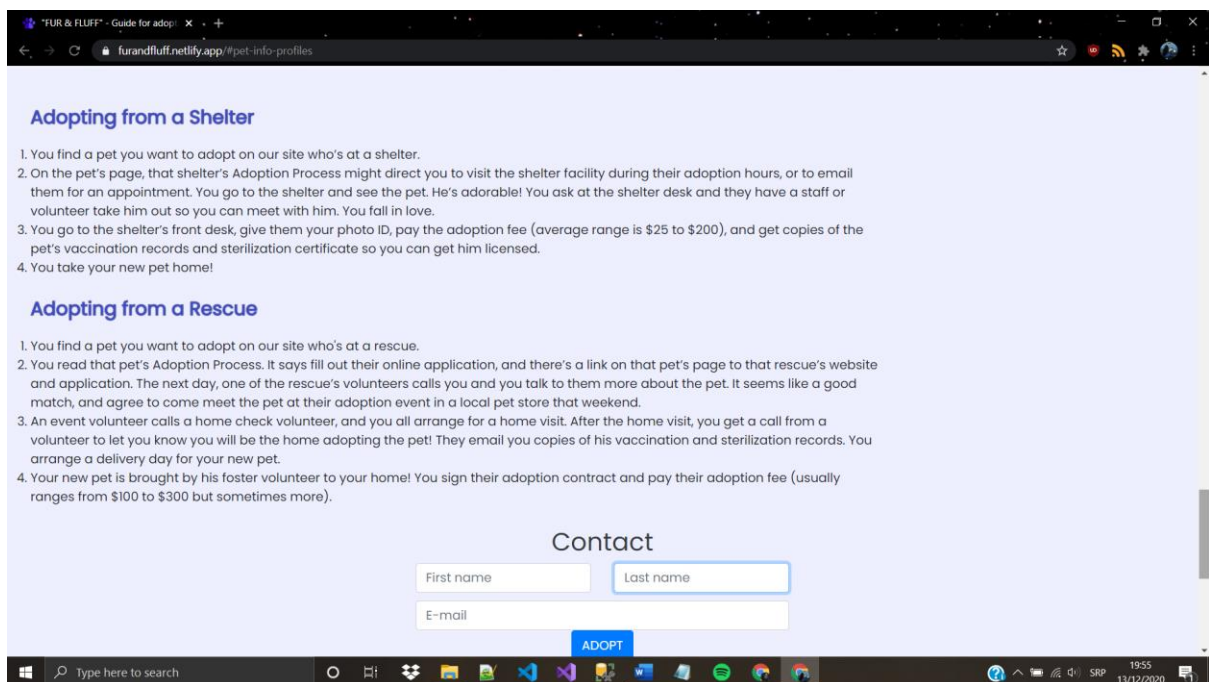

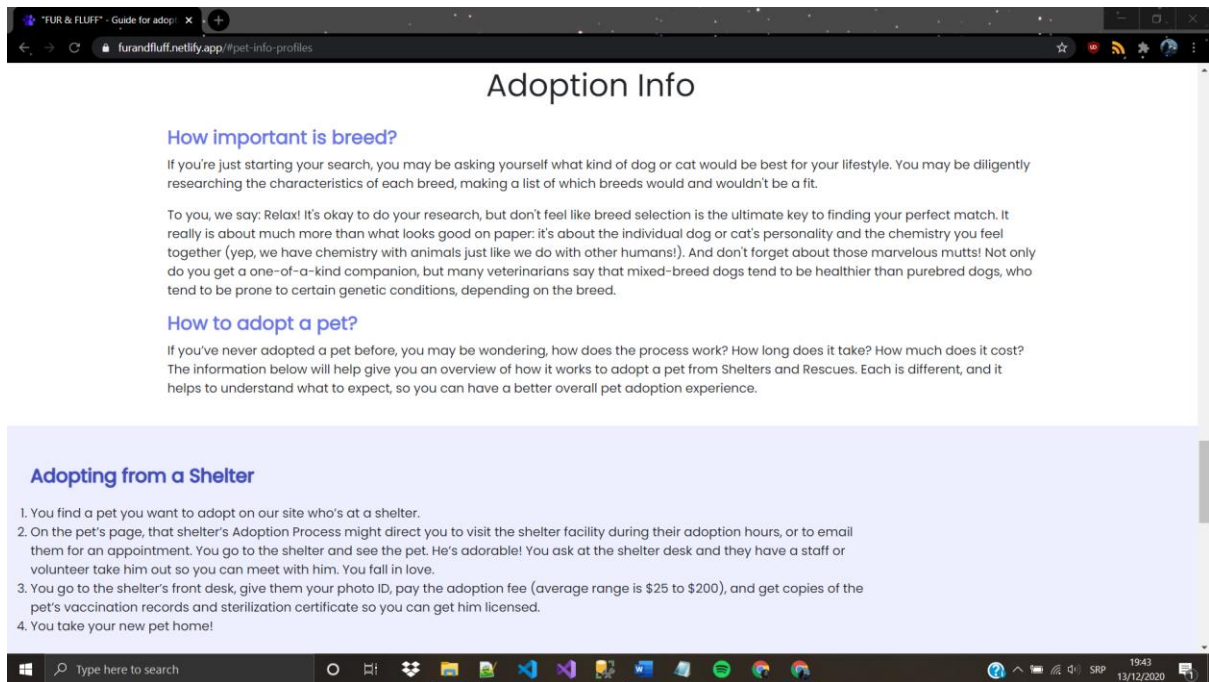

Prelaskom miša preko svake slike u svakom divu, slika se menja (mouseover/mouseout).

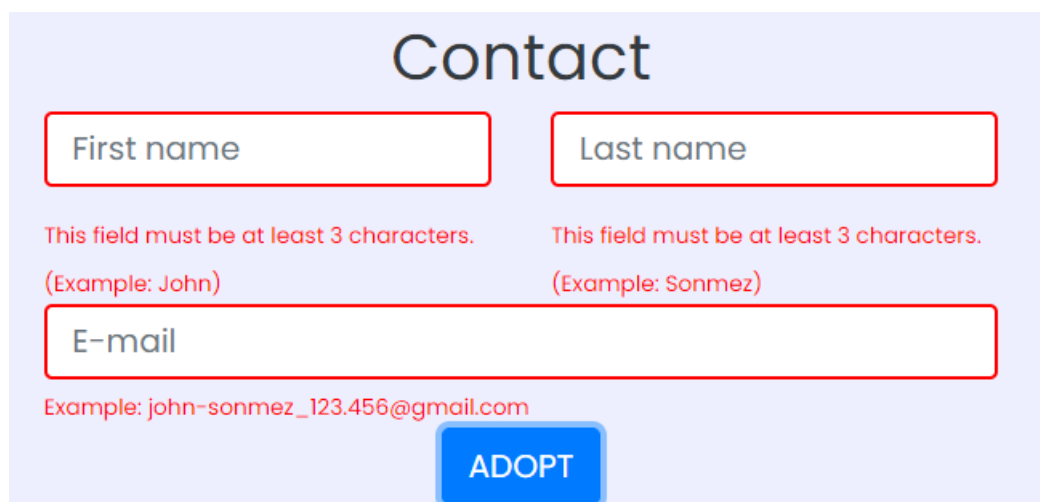

Klikom na dugme 'My story' (u jednom divu je to 'Our story'), prikazuje se sakriveni sadržaj i dugme menja svoj value u 'Close' (klikom na dugme sa ovim sada atributom value → efekat je sakrivanje sadržaja i vrednost atributa value je ponovo 'My story' / 'Our story').

Adoption info (index.html#adoption-info)

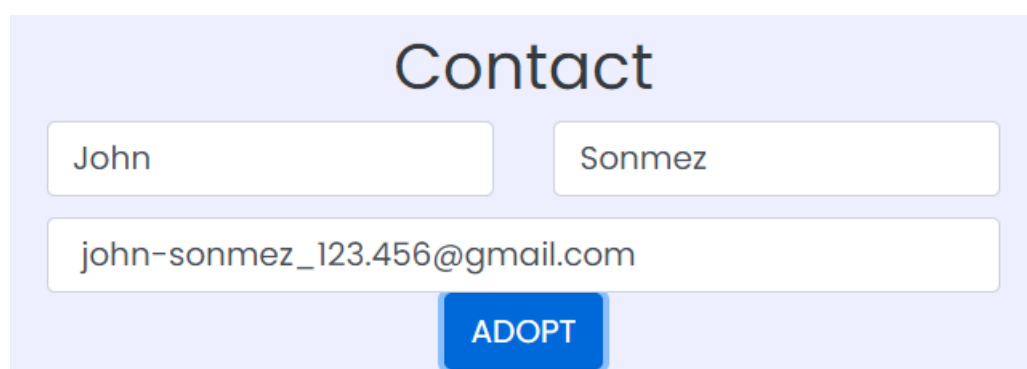

Klikom na dugme forme, korisniku se skrenula pažnja da je pogrešan unos (ništa nije uneto).

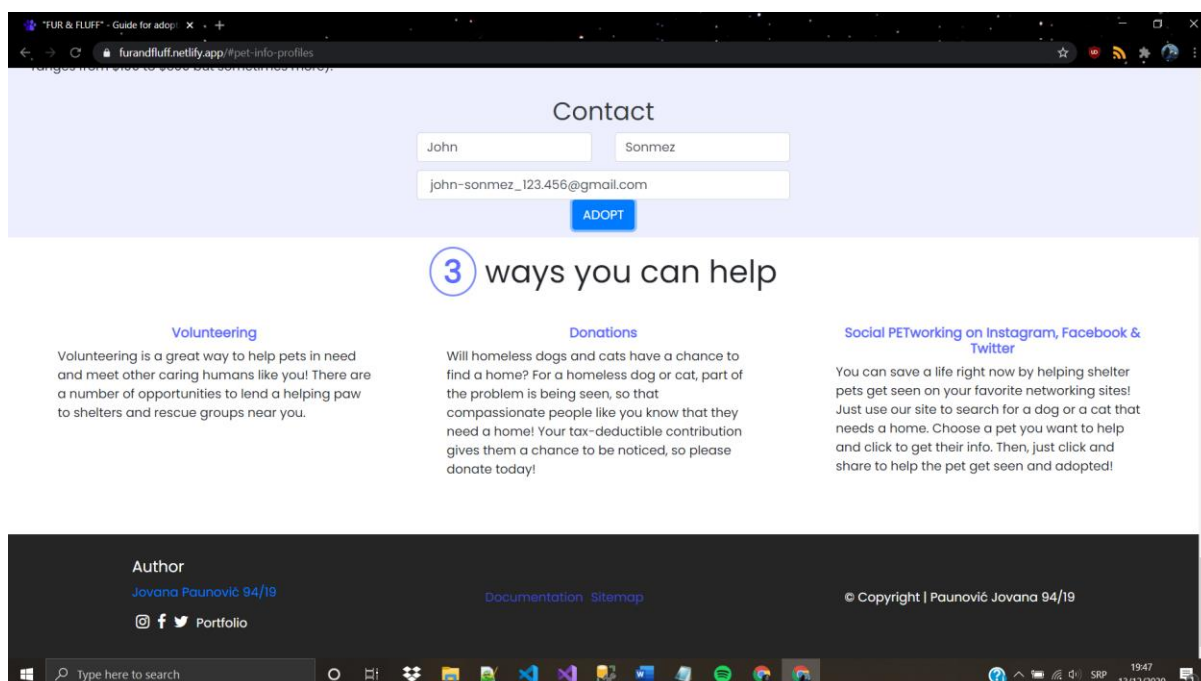

The image shows a 'Contact' form with three input fields: 'First name', 'Last name', and 'E-mail'. The 'First name' and 'Last name' fields are outlined in red, indicating they are required. Below each of these fields is a red error message: 'This field must be at least 3 characters.' and an example in parentheses: '(Example: John)' for first name and '(Example: Sonmez)' for last name. The 'E-mail' field is also outlined in red, with a red example below it: 'Example: john-sonmez_123.456@gmail.com'. At the bottom of the form is a blue button labeled 'ADOPT'.

Pravilnim unosom, crveni tekst i uokvireno crveno polje nestaju.

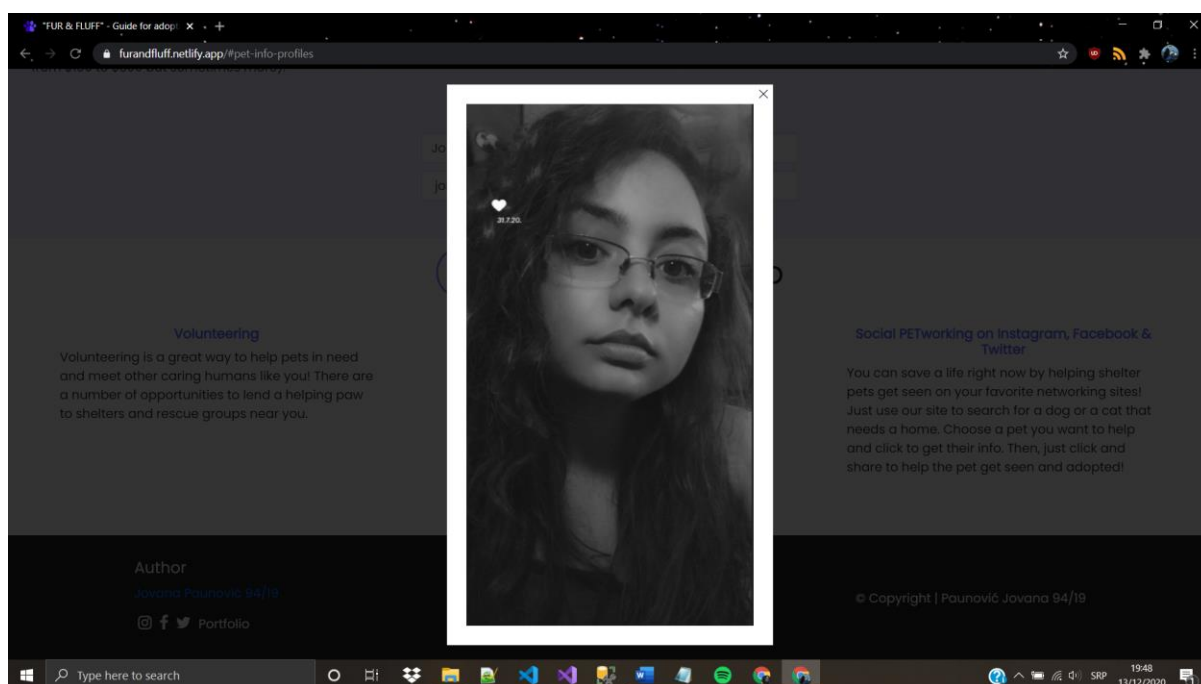

The image shows the same 'Contact' form, but now the input fields contain the correct data: 'John' in the 'First name' field, 'Sonmez' in the 'Last name' field, and 'john-sonmez_123.456@gmail.com' in the 'E-mail' field. The red error messages and red outlines are gone. The blue 'ADOPT' button remains at the bottom.

Get Involved (index.html#getInvolved)

Klikom na link u footer-u '[Jovana Paunović 94/19](#)', prikazuje se jQuery plugin za lightbox slike (prikaz slike autora sajta).

        Bobby loves affection, hikes and treats!
        He's playful and loves hiking in the canyons.
        His favorite dinner dish is sloppy joes.
        After dinner, he's always excited to cuddle.
        He walks well on a leash now and wears a front clip
        harness to walk with. He is dog selective,
        if introduced correctly, he can be good with another
        dog of his own size.
        He is incredibly loving, very smart indeed, he
        figured out how to get more and more treats. But, yet he i
s charming, and adorable.
        He loves to cuddle.
        He has a HUGE prey drive so no cats.
        Give us a call to meet this handsome fellow!

</div>

<!-- ADOPTION INFO -->
<div class='container'>
    <div class="title bc-color2 row">
        <h1 class='col-lg-12'>Adoption Info</h1>
    </div>
</div>
<div id="adoption-info" class="container">
    <div class='row'>
        <div id="breed-text" class='col-md-12'>
            <h4 class="adopt-title">How important is breed?</h4>
            <p>
                If you're just starting your search,
                you may be asking yourself what kind of
                dog or cat would be best for your lifestyle.
                You may be diligently researching the characteristics
                of each breed, making a list of which breeds would and
                wouldn't be a fit.
            </p>
            <p>
                To you, we say: Relax! It's okay to
                do your research, but don't feel like breed selection
                is the ultimate key to finding your perfect match.
                It really is about much more than what looks good on paper
                :
                it's about the individual dog or cat's personality and the

```

```
chemistry you feel together (yep, we have chemistry with
animals just like we do with other humans!). And don't
forget about those marvelous mutts! Not only do you get
a one-of-a-kind companion, but many veterinarians say
that mixed-
breed dogs tend to be healthier than purebred dogs,
who tend to be prone to certain genetic conditions,
depending on the breed.
    </p>
</div>
<div id='howTo' class='col-md-12'>
    <h4 class="adopt-title">How to adopt a pet?</h4>
    <p>
        If you've never adopted a pet before,
        you may be wondering,
        how does the process work?
        How long does it take?
        How much does it cost?
        The information below will
        help give you an overview of
        how it works to adopt a pet from
        Shelters and Rescues.
        Each is different, and it helps to understand
        what to expect, so you can have a
        better overall pet adoption experience.
    </p>
</div>

        <!--shelters-->
        <div id="shelters" class='col-md-9'>
            <h4>Adopting from a Shelter</h4>
            <p>
                <ol>
                    <li>
                        You find a pet you want to adopt on our
                        site who's at a shelter.
                    </li>
                    <li>
                        On the pet's page, that shelter's
                        Adoption Process might direct you to visit
                        the shelter facility during their adoption
                        hours, or to email them for an appointment.
                        You go to the shelter and see the pet. He's
                        adorable! You ask at the shelter desk and they
```

```
        have a staff or volunteer take him out so you can
        meet with him. You fall in love.
    </li>
    <li>
        You go to the shelter's front desk,
        give them your photo ID, pay the adoption
        fee (average range is $25 to $200), and
        get copies of the pet's vaccination records
        and sterilization certificate so you can get
        him licensed.
    </li>
    <li>You take your new pet home!</li>
</ol>
</p>
</div>
<!--rescues-->
<div id="rescues" class='col-md-9'>
    <h4>Adopting from a Rescue</h4>
    <p>
        <ol>
            <li>
                You find a pet you want to adopt on our
                site who's at a rescue.
            </li>
            <li>
                You read that pet's Adoption Process.
                It says fill out their online application,
                and there's a link on that pet's page to
                that rescue's website and application.
                The next day, one of the rescue's volunteers
                calls you and you talk to them more about the pet.
                It seems like a good match, and agree to come meet
                the pet at their adoption event in a local pet store
                that weekend.
            </li>
            <li>
                An event volunteer calls a home check volunteer,
                and you all arrange for a home visit.
                After the home visit, you get a call
                from a volunteer to let you know you will
                be the home adopting the pet! They email you
                copies of his vaccination and sterilization records.
                You arrange a delivery day for your new pet.
            </li>
            <li>
                Your new pet is brought by his foster
                volunteer to your home! You sign their
                adoption contract and pay their adoption fee
            </li>
        </ol>
    </p>
</div>
```

```

        (usually ranges from $100 to $300 but sometimes more).
